RENEWED PETITION UNDER 37 CFR 1.137(b)

Dear Sirs:

A Petition for Revival for the above application was filed on March 30, 2005. The Petition was dismissed.

Applicants request reconsideration of the Petition.

A continuing application was filed on March 30, 2005 for the above application. The filing of the continuing application is considered a reply to the then outstanding Office Action dated July 27, 2004. The continuing application filed on March 30, 2005 has received U.S. Serial No. 11/093,427. It has been assigned to Art Unit 1632 and the filing fee was received.

The entire delay in the filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.

Since a continuing application was filed on March 30, 2005, a Request for Express Abandonment conditional upon the granting of the petition and granting a filing date to the continuing application is enclosed herewith, as well as a Terminal Disclaimer.

Applicant believes that the requirements for approving the Petition for Revival have been met, if however, the Petitions Examiner has questions, she may contact the undersigned at 312-427-1300 ext. 227.

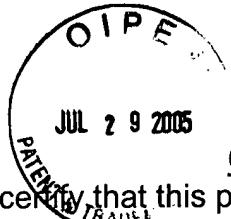

Please charge any fees for this petition to account number 12-0400.

Respectfully submitted,
